About CashBack for Communities

CashBack for Communities is a Scottish Government programme which takes funds recovered from the proceeds of crime and invests them into free activities and programmes for young people across Scotland. Inspiring Scotland is the delivery partner for the CashBack for Communities programme, appointed in July 2012.

- CashBack invests monies seized from criminals under the Proceeds of Crime Act 2002 back into our communities.
- Since 2008 the Scottish Government has committed £92 million to CashBack / community initiatives, funding community activities and facilities largely, but not exclusively, for young people.
- CashBack supports all 32 Local Authorities across Scotland.
- Sporting and recreational activities / culture / mentoring and employability / community projects.
- CashBack has delivered nearly 2 million activities and opportunities for young people.
- Phase 3 of CashBack runs to end March 2017 and is focused on positive outcomes for young people.

CashBack for Communities: Aims

CashBack activities:

- Use the proceeds of crime in a positive way to expand young people's horizons and increase their opportunities to develop their interests and skills in an enjoyable, fulfilling and supportive way.
- Are open, where possible, to all children and young people, while focusing resources in those communities suffering most from antisocial behaviour and crime.
- Seek to increase levels of participation to help divert young people away from 'at risk' behaviour, and will aim to increase the positive long-term outcomes for those who take part.

Activity number represents the number of activities and opportunities that young people have taken advantage of as a result of CashBack funding. It should be noted that CashBack partners may have worked with some of the same young people over a number of years. Therefore the total annual activity and opportunity figures might not directly correlate to the number of individual young people who have been involved with CashBack.

Historic CashBack funding (2008 -2016)

Examples of CashBack funded activities up to 2016

The **Small Grants Scheme** consortium has been a beneficiary of CashBack funding in East Dunbartonshire since 2008 and this has included supporting Boys Brigade, Girlguiding Scotland, Girls' Brigade, and Scouts Scotland.

YouthLink Scotland, through the Youth Work Fund, has supported capacity of young people and youth work organisations. Examples in the Local Authority include Cue and Review Recording Service - Print Speaking to the Blind and Kirkintilloch Baptist Church - Friday Night Live Youth Club.

Prince's Trust Development Awards have been made available to young people from the Authority to support their efforts to move into a positive destination of employment, education or training courses. These grants have been provided to costs of attending a sports coaching course, and computer and IT equipment.

Scottish FA manages the Midnight League programme which has activity provided at the Bearsden Academy, Huntershill Bishopbriggs, Twechar Learning and Healthy Living Centre.

Scottish Rugby Union runs broad participation in East Dunbartonshire and the CashBack funding is used to part-fund one full-time rugby club development officer at Allen Glens RFC & one full-time local authority DO. This post is responsible for the delivery of the broad participation programme and street rugby in the area. Street Rugby sessions have also been delivered in the Authority.

East Dunbartonshire – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

Ocean Youth Trust Scotland provide young people a truly unique and life changing opportunity. Over the course of a very intense week, living together in close proximity they learn not only to sail but how to gain leadership skills and work effectively as part of a team. On 18th May 2015 10 young people, 4 male and 6 female from East Dunbartonshire referred by LA through activity agreement, went to sea and all had a life changing experience. Feedback from the group was positive. Indeed 8 out of 10 of the group all stated they would like to sail again as well as a number wishing to apply to become a volunteer for OYT Scotland. They all completed, as part of the exercise a Start Yachting Certificate, a level 3 SQA Core skills certificate as well as a gold award for the outward bound section of the Duke of Edinburgh awards scheme. Some quotes received from young people at the end of the journey reflected the huge impact the exercise achieved. *'one of the greatest experiences of my life'... 'I have gained the ability to speak more openly in a group'. 'I have gained confidence on boats and being around people'.*

A young person was a recipient of a **Princes Trust Development Award**:

"I heard about the Development Awards that CashBack for Communities funded through Princes Trust on Gumtree. "I'd been struggling to get by and couldn't get work. I was depressed. No job and no money. Princes Trust showed me how to make a good CV, and set out my goals to get a trade. "I got an award which helped me go on a building course and I have since become an Apprentice Joiner. I love it, have made good friends got to experience different trades and earned my CSCS card which helps me for any trade working on a building site."
