About CashBack for Communities

CashBack for Communities is a Scottish Government programme which takes funds recovered from the proceeds of crime and invests them into free activities and programmes for young people across Scotland. Inspiring Scotland is the delivery partner for the CashBack for Communities programme, appointed in July 2012.

- CashBack invests monies seized from criminals under the Proceeds of Crime Act 2002 back into our communities.
- Since 2008 the Scottish Government has committed £92 million to CashBack / community initiatives, funding community activities and facilities largely, but not exclusively, for young people.
- CashBack supports all 32 Local Authorities across Scotland.
- Sporting and recreational activities / culture / mentoring and employability / community projects.
- CashBack has delivered nearly 2 million activities and opportunities for young people.
- Phase 3 of CashBack runs to end March 2017 and is focused on positive outcomes for young people.

CashBack for Communities: Aims

CashBack activities:

- Use the proceeds of crime in a positive way to expand young people's horizons and increase their opportunities to develop their interests and skills in an enjoyable, fulfilling and supportive way.
- Are open, where possible, to all children and young people, while focusing resources in those communities suffering most from antisocial behaviour and crime.
- Seek to increase levels of participation to help divert young people away from 'at risk' behaviour, and will aim to increase the positive long-term outcomes for those who take part.

Activity number represents the number of activities and opportunities that young people have taken advantage of as a result of CashBack funding. It should be noted that CashBack partners may have worked with some of the same young people over a number of years. Therefore the total annual activity and opportunity figures might not directly correlate to the number of individual young people who have been involved with CashBack.

Moray – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

Elgin Eagles joined the CashBack funded Future Clubz programme as one of 16 clubs across Scotland. In conjunction with the basketballscotland's Club Development Officer, the club has been actively involved in visiting 10 local primary schools in Elgin, Buckie and Forres, providing taster sessions to encourage young people to take part in basketball. A young person was a recipient of a Prince's Trust Development Award:

"I heard about the Development Awards that CashBack for Communities funded through Princes Trust on Gumtree. "I'd been struggling to get by and couldn't get work. I was depressed. No job and no money. Princes Trust showed me how to make a good CV, and set out my goals to get a trade. "I got an award which helped me go on a building course and I have since become an Apprentice Joiner. I love it, have made good friends got to experience different trades and earned my CSCS card which helps me for any trade working on a building site."
