About CashBack for Communities

CashBack for Communities is a Scottish Government programme which takes funds recovered from the proceeds of crime and invests them into free activities and programmes for young people across Scotland. Inspiring Scotland is the delivery partner for the CashBack for Communities programme, appointed in July 2012.

- CashBack invests monies seized from criminals under the Proceeds of Crime Act 2002 back into our communities.
- Since 2008 the Scottish Government has committed £92 million to CashBack / community initiatives, funding community activities and facilities largely, but not exclusively, for young people.
- CashBack supports all 32 Local Authorities across Scotland.
- Sporting and recreational activities / culture / mentoring and employability / community projects.
- CashBack has delivered nearly 2 million activities and opportunities for young people.
- Phase 3 of CashBack runs to end March 2017 and is focused on positive outcomes for young people.

CashBack for Communities: Aims

CashBack activities:

- Use the proceeds of crime in a positive way to expand young people's horizons and increase their opportunities to develop their interests and skills in an enjoyable, fulfilling and supportive way.
- Are open, where possible, to all children and young people, while focusing resources in those communities suffering most from antisocial behaviour and crime.
- Seek to increase levels of participation to help divert young people away from 'at risk' behaviour, and will aim to increase the positive long-term outcomes for those who take part.

Activity number represents the number of activities and opportunities that young people have taken advantage of as a result of CashBack funding. It should be noted that CashBack partners may have worked with some of the same young people over a number of years. Therefore the total annual activity and opportunity figures might not directly correlate to the number of individual young people who have been involved with CashBack.

Historic CashBack funding (2008 -2016)

Examples of CashBack funded activities up to 2016

The **Small Grants Scheme** consortium has been a beneficiary of CashBack funding in North Lanarkshire since 2008 and this has included supporting Boys Brigade, Girlguiding Scotland, Scouts, Girls Brigade and Youth Club activities across the area.

YouthLink Scotland, through the Youth Work Fund, has supported capacity of young people and youth work organisations. Examples in the Local Authority include Safety Zone, Hope for Autism, Soundsational Community Music, Bellshill and Mossend YMCA, Parent Action for Safe Play, PEGASUS, Getting Better Together, Glenboig Neighbourhood House, Caldercruix Neighbourhood Project, and Support Fostering Scotland.

Creative Scotland, through their CashBack for Creativity fund, has supported many organisations in the area including Chem 19 and Reeltime music projects.

Boxing Scotland delivered weekly boxing coaching from June 2012 in Forgewood and Newarthill Amateur Boxing Clubs in Motherwell.

Prince's Trust Development Awards have been used to support a number of young people in the area including funding to attend beauty courses, purchase clothes for interview, training for child care, outdoor course and equipment.

The **Scottish FA** currently operate a School of Football at Braidhurst High School operating two year groups and have also developed an accreditation course 'Developing Individual Performance in Sport' (SCQF 5) for young people to progress through. SFA also have an active Equity project in North Lanarkshire with participation centres already set up and engaging ethnic minorities such as African, Muslim, Congolese and Polish through strong links with local club Motherwell FC. SFA has also run the Midnight League programme in the Authority at Croy AstroTurf and St Andrews High School, where Street Football sessions have also been held.

Scottish Rugby Union runs broad participation activities in North Lanarkshire and the CashBack funding has been used to part-fund three full-time development officers at North Lanarkshire Council. These posts are responsible for the delivery of the broad participation programme. St Maurice's High School has been a School of Rugby since 2011, where pupils take part in up to five sessions per week of rugby training and classroom based sessions, augmented by values workshops.

The **Link Up** project supported by Inspiring Scotland and the CashBack programme until 2014, facilitates, supports and evidences ways that individuals and communities can build their social connections to help and trust each other. In North Lanarkshire this supported the new Opportunities Project at North Motherwell Parish Church. The focus of the project was to facilitate activities that local people would like to do using their own skills and assets and that bring different people in the community together and includes an athletics club, arts and crafts, a youth club, Community café and woman's group.

North Lanarkshire – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

Ocean Youth Trust Scotland provide young people a truly unique and life changing opportunity. Over the course of a very intense week, living together in close proximity, they learn not only to sail but how to gain leadership skills and work effectively as part of a team. On 29th June 2015 9 young people, 7 male and 2 female from North Lanarkshire, went to sea and all had a life changing experience. Feedback from the group was positive. Indeed 5 out of 9 of the group all stated they would like to sail again as well as a number wishing to apply to become a volunteer for OYT Scotland. They all completed, as part of the exercise a Start Yachting Certificate, a level 3 SQA Core skills certificate as well as a Gold Award for the outward bound section of the Duke of Edinburgh awards scheme. Some quotes received from young people at the end of the journey reflected the huge impact the exercise achieved. 'loved every minute of it'.. 'an amazing and fun experience'.. *'one of the greatest experiences of my life'...* *'I have gained the ability to speak more openly in a group'.. 'I have gained confidence on boats and being around people'.*

The Scottish FA School of Football initiative at Braidhurst Academy has been particularly successful. Some 40 pupils are involved in the initiative involving a 1 hour per day period academic and social programme through football. School of Football pupils when they move into third year now sit a two year qualification accredited at SCQF Level 5. The average number of pupils passing this course over the past three years has increased from mid-70's to mid-80's in the space of a year. Given the predictions of performance for these pupils in subjects of a comparable standard, the pass rate in this DIPS course is very high indeed. Pass rate statistics on course verified by Borders College.
