Activity number represents the number of activities and opportunities that young people have taken advantage of as a result of CashBack funding. It should be noted that CashBack partners may have worked with some of the same young people over a number of years. Therefore the total annual activity and opportunity figures might not directly correlate to the number of individual young people who have been involved with CashBack.

# Historic CashBack funding (2008 -2016)

## Examples of CashBack funded activities up to 2016

The **Small Grants Scheme consortium** has been a beneficiary of CashBack funding in Clacks since 2008 and this has included supporting Boys Brigade, Girlguiding Scotland, Scouts, Girls Brigade, Clubs for Young People and Youth Club activities across the area.

**YouthLink Scotland**, through the Youth Work Fund, has supported capacity of young people and youth work organisations. Examples in the Local Authority include Angus Young Engineers, Showcase the Street and Brechin Youth Project.

**Prince's Trust Development Awards** have been used to support a number of young people in the area including funding to purchase joinery equipment to start an apprenticeship and a sports coaching qualification.

**Basketballscotland** has supported numerous basketball activities in the area including links to Tayside Musketeers through Angus Academy and coaching at satellite clubs at Arbroath and Kirriemuir.

**The Scottish FA** has run the Midnight League programme in Angus have always been well supported by the Council and has operated across a number of locations across the area.

**Scottish Rugby Union** runs broad participation activities in Angus and the CashBack funding has been used to part-fund one part time rugby Development Officer at Angus Council. This post is responsible for the delivery of the broad participation programme, youth coaching courses, and street rugby / street rugby referral groups in the area. In 2012 Strathmore RFC were awarded monies from the CashBack Rugby Facilities Fund for the extension of the club's changing facilities to help accommodate the growing numbers of boys and girls playing rugby at the club.

**Just Play** which previously funded by CashBack for Communities until 2014, is a partnership led by Police Scotland and Angus Council. It is based on the importance of play and aims to support families who have a child aged birth to three and where offending behaviour has been present in the family. Focus play sessions can be family, group community based or within the family home. Each session is tailored to the age and stage of the baby. Just Play is based in Forfar and additionally covers Arbroath, Kirriemuir, Brechin and Montrose. Referrals for the service can come from Social Work, Health, Education, Police, Voluntary Sector and families themselves. There were 53 families engaged across Angus.

# Angus – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

**Just Play** is a partnership led by Police Scotland and Angus Council operating in 5 areas across Angus. They received £310,000 of CashBack funding between 2011-14. It's based on the importance of play and aims to support families who have a child from birth to age three and where offending behaviour has been present in the family. One such example was J, a mum to L age 22 months. They were referred to Just Play as a result of the father's offending behaviour. Both parents attended the session with L, and although they later split up, the Dad still attended Just Play. Both parents agreed the support they received and environment was far better than previous help through social work and a 'good atmosphere'. Dad felt this helped improve his parenting skills and improved his confidence and felt like he was able to contribute. Mum and Dad attended regular play sessions and planned out activities and they also were able to find L came out of her shell too as she felt more relaxed with the staff and her parents. As well the drop in sessions provided healthy snacks.

H (16) from Carnoustie, Angus started playing football as a young girl at Arbroath Inchcape GFC until the age of 14 when she moved on to play for Celtic Girls in Glasgow. Holly is a very talented player, who has been selected for the U17 National Programme. In 2012, H decided to put her experience as a player to good use by enrolling on the **Scottish FA's** Coach Education Programme funded by Cashback. Participants between 16 and 25 receive their qualification free in return for volunteer hours within the community, and Holly has gone from strength to strength coaching in the girls' game. Recently, Holly also supported the delivery of a week long holiday camp for 50 girls within the East Region. In addition to these coaching roles, Holly has made a real difference to young girls' lives in the region by supporting the East Region staff to create and sustain the Fun Four Festival programme for 6-9 year old girls.

The 1<sup>st</sup> Hillside Scout Group received CashBack funding through the **Small Grants Scheme** and used the money to purchase new, modern camping equipment to replace old tents which were in need of upgrading. Around 16 young people attend Scout and community led activities; with 16 Beavers and Cubs; and later this year the first Explorer Group will be launched for older young people. The Scout Group is run by a team of 8 adult leaders. The Scouts have camped with their new tents on a number of occasions including a Group Camp attended by Scouts, Cubs, Beavers, parents, and volunteers. The new equipment has led to a number of positive changes for the young people, the leaders, and for the group such as: a camping environment which is more secure and more conducive to learning and enjoyment; increased camping skills; more independence from other Scout groups; better use of leaders' camp preparation time; and increased membership.
