Clackmannanshire Local Authority

2015/16

About CashBack for Communities

CashBack for Communities is a Scottish Government programme which takes funds recovered from the proceeds of crime and invests them into free activities and programmes for young people across Scotland. Inspiring Scotland is the delivery partner for the CashBack for Communities programme, appointed in July 2012.

- CashBack invests monies seized from criminals under the Proceeds of Crime Act 2002 back into our communities.
- Since 2008 the Scottish Government has committed £92 million to CashBack / community initiatives, funding community activities and facilities largely, but not exclusively, for young people.
- CashBack supports all 32 Local Authorities across Scotland.
- Sporting and recreational activities / culture / mentoring and employability / community projects.
- CashBack has delivered nearly 2 million activities and opportunities for young people.
- Phase 3 of CashBack runs to end March 2017 and is focused on positive outcomes for young people.

CashBack for Communities: Aims

CashBack activities:

- Use the proceeds of crime in a positive way to expand young people's horizons and increase their opportunities to develop their interests and skills in an enjoyable, fulfilling and supportive way.
- Are open, where possible, to all children and young people, while focusing resources in those communities suffering most from antisocial behaviour and crime.
- Seek to increase levels of participation to help divert young people away from 'at risk' behaviour, and will aim to increase the positive long-term outcomes for those who take part.

£75m Proceeds of Crime funds committed from launch in 2008 to 2017

All **32** Local Authorities impacted

Nearly **2m** activities and opportunities provided for young people

Key principles: Positive, Open to all, Developmental and Sustainable

Contributes to **National Outcomes:**

4 – ‘Our young people are successful learners, confident individuals, effective contributors and responsible citizens’

9 – ‘We live our lives free from crime, disorder and danger’

Supporting activities across:

- Culture film making, dance and music
- Sports diversionary and participatory sports activities
- Employability training, mentoring and accreditation
- Sport for Change personal development through sport
- Youth Work project funding, uniformed organisations grants

Activity number represents the number of activities and opportunities that young people have taken advantage of as a result of CashBack funding. It should be noted that CashBack partners may have worked with some of the same young people over a number of years. Therefore the total annual activity and opportunity figures might not directly correlate to the number of individual young people who have been involved with CashBack.

Historic CashBack funding (2008 -2016)

Examples of CashBack funded activities up to 2016

The **Small Grants Scheme consortium** has been a beneficiary of CashBack funding in Clackmannanshire since 2008 and this has included supporting Boys Brigade, Girlguiding Scotland, Scouts, Girls Brigade, Clubs for Young People and Youth Club activities across the area.

YouthLink Scotland, through the Youth Work Fund, has supported capacity of young people and youth work organisations. Examples in the Local Authority include Hawkhill Community Association and Clackmannanshire Schools Support Service.

Prince's Trust Development Awards have been used to support a number of young people in the area including funding to attend SIA License courses, purchase equipment for gardening business, musical equipment for study, teaching course, personal trainer course, and a beauty therapy course.

The Scottish FA currently operate a School of Football at Alva Academy and also runs a CashBack funded Girls School of Football at Lornshill Academy. Each school provides coaching towards attaining the 'Individual Performance in Sport' (SCQF 5) for the young people to progress through. Street Football has been a project that has been at the core of providing activity to areas of deprivation in Scotland and has been operating in various locations across the Council. SFA has also run the Midnight League programme in the Authority at Recreation Park in Alloa. 4 Schools for the area also compete in the CashBack 7's annual event.

Scottish Rugby Union runs broad participation activities and CashBack funding has been used to part-fund one part time rugby Development Officers at Clackmannanshire Council and one full time development office at Hillfoot RFC. Alva Academy has been a School of Rugby since 2012 where pupils take part in up to 5 sessions per week of rugby training and classroom based sessions, augmented by values workshops. Street rugby has been supported in the area at Park School in conjunction with Active Schools. In 2012 Dunfermline RFC were awarded monies from the CashBack Rugby Facilities Fund for the upgrading of the pitch drainage to help accommodate the growing numbers of boys and girls playing rugby at the club. Glenrothes RFC were also awarded funds to help complete a similar pitch drainage project.

The Link Up project is supported by Inspiring Scotland, and the CashBack programme until 2014. It facilitates, supports and evidences ways that individuals and communities can build their social connections and help and trust each other. Hawkhill Community Association is the host organisation for the Link Up worker in Clackmannanshire. The focus of the project is to facilitate activities that local people would like to do using their own skills and assets and that bring different people in the community together and includes community football, community cinema, Man Up Men's Group, Women's Group, Young Mums Group, and Street Dance.

Clackmannanshire – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

Scottish FA School of Football - Lornshill Academy

In 2012, Lornshill Academy in Clackmannanshire became the first school to run a programme exclusively for girls. This programme continues to provide girls with opportunities to develop physically and socially through the medium of football. The Scottish FA, Clackmannanshire Council and the Scottish Government's CashBack for Communities programme have worked in partnership to ensure provision of a quality sporting programme underpinned by educational principles appropriate to participants' age and stage.

In total there are 47 girls involved in football in Lornshill Academy, 36 of which are in S1-S3 and currently play within the Girls Football Academy. On top of this, 11 female pupils are involved in various roles including assisting at tournaments and coaching younger players.

Impact

The holistic nature of the Girls' Football Academy has been very exciting in terms of providing the girls with opportunities which link with the Curriculum for Excellence. Focusing on performance, as well as other aspects such as confidence, leadership, social skills and responsibility has given those involved added opportunities to meet Experiences and Outcomes which enrich and deepen their learning and understanding. The Football Academy is set up to use football as the vehicle for enhancing the learning of skills and competencies which the girls are building on in other areas of the school.

The opportunity to discuss topical issues relevant to a group of girls of the same age has been unique and invaluable. Subjects such as Women in Sport, self-image, relationships and social media have also been introduced. Interdisciplinary learning and cross curricular links have been at the forefront of every theory lesson and homework tasks have been carefully designed to meet these elements of the Curriculum for Excellence.

At the heart of the holistic philosophy of the Football Academy is a focus on transferable skills which will allow participants to achieve success not only within the Academy but in the wider school and at home.

“I have improved a lot in school, for example when presenting in front of the class or working in a group. My attitude has improved a lot at home and I think the Academy is helping me to become a better person.” 1st year pupil

The majority of the girls involved have over 90% attendance at school and a large number of girls have either attended every session or missed no more than two throughout the year. This shows the enthusiasm and dedication with which they approach the programme.

One parent commented, “Participation in the Girls’ Football Academy has been invaluable to our daughter. A huge improvement to her communication, attitude to healthy lifestyle, organisation and responsibility at home in particular.”

A link has been established with a local community club, and as a result there are currently 17 members of the Girls Football Academy playing football at Tullibody Community FC; a significant increase from last year. One member also volunteers with Tullibody Community FC, assisting with the delivery of sessions and gaining invaluable experience in a coaching environment. A number of girls have expressed an interest in embarking on a career involving sports, coaching or teaching following the experience they have had in the Football Academy.

Education Through CashBack	Education Through CashBack (ETC) aims to enhance sports coaches, youth workers and young leaders understanding of working with young people and encouraging personal development through sport. The programme was created to ensure that those on the ground are well equipped to engage those most at risk and maximise the impact of provision. In particular ETC will nurture a deeper understanding of the developmental value of sport and physical activity when working with often challenging young people with varying needs and interests. Training, with complementary resources, will equip staff with the skills, understanding and confidence to deliver activities effectively to a range of young people in a variety of settings. Training is delivered either as a one off or at times over a series of dates for more than one module delivery.
