# About CashBack for Communities

CashBack for Communities is a Scottish Government programme which takes funds recovered from the proceeds of crime and invests them into free activities and programmes for young people across Scotland. Inspiring Scotland is the delivery partner for the CashBack for Communities programme, appointed in July 2012.

- CashBack invests monies seized from criminals under the Proceeds of Crime Act 2002 back into our communities.

- CashBack supports all 32 Local Authorities across Scotland.
- Sporting and recreational activities / culture / mentoring and employability / community projects.
- CashBack has delivered nearly 2 million activities and opportunities for young people.
- Phase 3 of CashBack runs to end March 2017 and is focused on positive outcomes for young people.

# Historic CashBack funding (2008 -2016)

## Examples of CashBack funded activities up to 2016

The **Small Grants Scheme** consortium has been a beneficiary of CashBack funding in East Ayrshire since 2008 and this has included supporting Boys Brigade, Girlguiding Scotland, Scouts Scotland and Clubs for Young People activities across the area.

**YouthLink Scotland**, through the Youth Work Fund, has supported capacity of young people and youth work organisations. Examples in the Local Authority include East Ayrshire Families, Barnardo's Scotland and Ocean Youth Trust.

**Creative Scotland**, through their CashBack for Creativity fund, has supported organisations in the area including Creative Minds Team, CS Performers, All-Stars Academy, and Dance Ihayami.

**Prince's Trust Development Awards** have been used to support a number of young people in the area including funding to purchase IT equipment, SIA Licenses, Chef clothing and equipment.

The **Link Up** project supported by Inspiring Scotland and the CashBack programme until 2014, facilitates, supports and evidences ways that individuals and communities can build their social connections and help and trust each other. In Kilmarnock the Link Up operation is based at Onthanks, Knockinlaw, Longpark, Altonhill and Southcraig & Deans in conjunction with East Ayrshire North Communities Federation.

**Basketballscotland** has supported a number of clubs in the area, including Ayrshire Development Group, Troon Tornadoes and Kilmarnock Basketball Club providing coaching assistance and organising activities and courses for young people in the area.

**Scottish FA** runs 2 Schools of Football at Cumnock and Grange Academies, 2 of 26 across Scotland. A social and academic programme, the 32 pupils involved receive 1 hour per day activities within their curriculum. The SFA also manages the Midnight League programme which has activity provided at Grange Academy, Gavin Hamilton Centre in Darvel, Doon Academy, Bellfield, Muirkirk, Stewarton, St Joseph's Academy, Cumnock Academy on Friday nights and also Street Football where the SFA has supported local clubs in delivering programmes in Cheviot Hill, Grove Academy, Menziehill Community Centre and Lynch Sports Centres.

**Scottish Rugby Union** runs broad participation activities in East Ayrshire and the CashBack funding has enabled part funding of 2 full time rugby development officer at Kilmarnock RFC and Cumnock RFC. Cumnock and Grange Academies have been Schools of Rugby since 2010 involving nearly 75 young people in S1 and S2. The Street Rugby programme is delivered at Netherthird and Dalrymple.

# East Ayrshire – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

The Scottish Football Association's School of Football programme has been an ever present feature of the CashBack for Communities portfolio since 2008. The social and academic development programme has found to have a profound impact upon the confidence, self-esteem and communication skills of the young people involved. In addition to this a number of young people regularly express an interest in coaching when they become 16 years old. Now that the 2008 group are now aged between 18/19 some have been engaged in coach education. In Cumnock there have been some ex-pupils who have gone a step further and are regularly active in their community and have progressed to a high level of coach education. Callum Falconer, Adam Lowe, Keir Samson, Jack Hannah and Steven Marchi are all former School of Football pupils and have been doing some of this work. They have since moved on after completing various coaching qualifications, volunteering in schools and with Cumnock Juniors and have since become employed by Kilmarnock FC as coaches in the community.

A young person from was a recipient of a Princes Trust Development Award:

*"I heard about the Development Awards that CashBack for Communities funded through Princes Trust on Gumtree.*

*"I'd been struggling to get by and couldn't get work. I was depressed. No job and no money. Princes Trust showed me how to make a good CV, and set out my goals to get a trade.*

*"I got an award which helped me go on a building course and I have since become an Apprentice Joiner. I love it, have made good friends got to experience different trades and earned my CSCS card which helps me for any trade working on a building site."*
