About CashBack for Communities

CashBack for Communities is a Scottish Government programme which takes funds recovered from the proceeds of crime and invests them into free activities and programmes for young people across Scotland. Inspiring Scotland is the delivery partner for the CashBack for Communities programme, appointed in July 2012.

- CashBack invests monies seized from criminals under the Proceeds of Crime Act 2002 back into our communities.
- Since 2008 the Scottish Government has committed £92 million to CashBack / community initiatives, funding community activities and facilities largely, but not exclusively, for young people.
- CashBack supports all 32 Local Authorities across Scotland.
- Sporting and recreational activities / culture / mentoring and employability / community projects.
- CashBack has delivered nearly 2 million activities and opportunities for young people.
- Phase 3 of CashBack runs to end March 2017 and is focused on positive outcomes for young people.

CashBack for Communities: Aims

CashBack activities:

- Use the proceeds of crime in a positive way to expand young people's horizons and increase their opportunities to develop their interests and skills in an enjoyable, fulfilling and supportive way.
- Are open, where possible, to all children and young people, while focusing resources in those communities suffering most from antisocial behaviour and crime.
- Seek to increase levels of participation to help divert young people away from 'at risk' behaviour, and will aim to increase the positive long-term outcomes for those who take part.

Activity number represents the number of activities and opportunities that young people have taken advantage of as a result of CashBack funding. It should be noted that CashBack partners may have worked with some of the same young people over a number of years. Therefore the total annual activity and opportunity figures might not directly correlate to the number of individual young people who have been involved with CashBack.

Historic CashBack funding (2008 -2016)

Examples of CashBack funded activities up to 2016

The Small Grants Scheme consortium has been a beneficiary of CashBack funding in South Lanarkshire since 2008 and this has included supporting Boys Brigade, Girlguiding Scotland, Scouts, Girls Brigade and Youth Club activities across the area.

YouthLink Scotland, through the Youth Work Fund, has supported capacity of young people and youth work organisations. Examples in the Local Authority include Biggar Youth Project, Carstairs Junction Youth Group, Hamilton Information Project for Youth, Universal Connections Hamilton, Regenfx Youth Trust, Sportworx Entertainment, Healthy n Happy, and Whitehill Universal Connections.

Creative Scotland, through their **CashBack for Creativity fund**, has supported many organisations in the area including various music projects.

Boxing Scotland delivered weekly boxing coaching from June 2012 in Duries ABC in Cambuslang and Hamilton ABC.

Prince's Trust Development Awards have been used to support a number of young people in the area including funding to attend beauty courses, purchase clothes for interview, training for child care, outdoor courses and equipment.

The Scottish FA runs the Midnight League programme in the Authority at Hamilton Palace, Jock Stein Sports Barn, Larkhall, and East Kilbride. Street Football has been a project that has been at the core of providing activity to areas of deprivation in Scotland. It has been placed in the heart of communities, is guided by local CSPs and other appropriate partners in several destinations including Lesmahagow, Hamilton, Larkhall, East Kilbride, and Rutherglen.

Scottish Rugby Union runs broad participation activities in South Lanarkshire and the CashBack funding is used to part-fund two full-time rugby club development officers at Hamilton RFC and Biggar RFC; as well as a development officer at South Lanarkshire Council. These posts are responsible for the delivery of the broad participation in Larkhall Leisure Centre. In 2012 Biggar RFC and Cambuslang RFC's were awarded funding from the CashBack Rugby Facilities Fund for the extension of the club's changing pavilion and pitch upgrades respectively to help accommodate the growing numbers of boys and girls playing rugby at the club.

South Lanarkshire – CashBack Outcomes: Case Studies

CashBack has made a huge difference to the lives of young people. We have captured information on individual case studies for CashBack partners which demonstrate the impact delivery activities have had to those participating. These can be accessed on the CashBack website at <http://www.cashbackforcommunities.org/>

R was referred to the Action for Children's Precision Engineering and Warehousing CashBack funded programme, by her development worker at Move On Project due to her lack of employment opportunities and lack of work experience. **R** resides in South Lanarkshire. The referrer saw the potential positive opportunities available through the Precision Engineering and Warehousing Programme, that **R** had shown and real interest in.

R had experienced a chaotic up-bring, moving pillar to post ,broken home, and abusive relationships, which resulted in a number of personal issues in her life and led to alcohol and drugs abuse. As a result of this **R** had spent some time in prison which also led onto deep depression for her, which she is currently on medication for.

During the Precision Engineering and Warehousing Training Programme, **R** has achieved all qualifications given to her, such as a forklift licence ,small plant and tools, engineering drawing works etc. **R** is currently undertaking a six week placement with an employer in the engineering trade around gas and oil with the hopeful outcome to gaining full-time employment, from the employer. Confidence gained on the programme has resulted in **R** recently having taken ownership of her own tenancy in the Hamilton area, and feels she is ready for this step, along with the long term goal of gaining full time employment.
